

Name: CNSC9700 Anti-glare Street Lamp

Application:

It can be used as a floodlight in factory, station and various big establishments, buildings, tunnels.

Features:

Adopting protective angles design and secular coating technology, it can prevent glare effectively and reduce stimulation to the eyes of the builders or operators working in the factories, and prevent them from feeling uncomfortable and tired.

Adopting HID light source with high efficiency and long life, its power factor is more than 0.9. It has high luminous efficiency and good penetrability of fog. Its average service life is more than 20000 hours.

With sealing and surface coating treatment, it can be used in the moist, high-temperature environment and never rust or being corrupted under execrable conditions.

Various mounting modes are applicable, such as surface mount, ceiling mount and bracket mount, etc. Illumination angle can be adjusted through 180° up and down to meet lighting need.

Product Data:

1. Metal Halogen Lamp: 250/400W
2. Standard: 400W
3. Rated Voltage: 220 VAC 50Hz
4. Shell Protection Grade: IP65
5. Corrosion-proof grade: WF2
6. Insulation Class: I
7. Entrance cable: ϕ 10~14mm
8. L/H: 2.2
9. Size: 515*402*200mm
10. Weight: 15Kg
