

Name:CT5180 portable Search light**CXS****Applicable Place:****Function:**

This product use by car battery, suitable for any type car.
It can adsorbed on vehicle roof or metal.
It can be adjusted illumination. according to demands.
It may coordinate to use tripod.
High luminous efficiency, low power consumption, waterproof.

Main technical parameter:**A HID illuminant**

1. Voltage12V, Bulb power35W, Luminous flux: 3400lm
2. Use life10000h
3. Irradiation distance1500m
4. Rotating angle: Fluctuation: 75°, Around440°
5. Remote distance: 200m
6. Size: 180*180*190mm
7. Weight: 2.7KG

B (Halogen light)

1. Working voltage: 12V
2. Working current: 8.3A, Luminous flux: 800lm, Use life: ≥1500h
3. Rotating angle: Fluctuation: 75°, Around440°
4. Remote distance: 200m
5. Size: 180*180*190mm
6. Weight: 2.7KG
