

Name: CQY9000A High-power mobile work light

**CXS**

Applicable Place:

Suitable for all kinds of indoor and outdoor worksite. Such as coal industry, petroleum and chemical industry, electric power, metallurgy, railway, iron and steel, shipping, army, aviation, police and fire-fighting, government and large-scale factory's fixed lighting need.

Functions:

1. The product applies to the night repairing railway, electricity repair at night, the scene of the emergency lighting glare. Configuration of small generators in a blackout, can be used for emergency power source, at this product can be remote control method of the levelly rotary is 0-420° and the pitching rotation is 0-380°, coupled with the environmental situation, so the area is suitable for a variety of user choice.
2. Electricity method: city electricity or small generators.

Main technical parameter:

1. Rated voltage: AC220V
2. Light Source, Rated power: 2x150W, Working current: 0.7A/1.5A, Luminous flux: 11200lm/2300lm, Average life: 10000h
3. Illumination Distance: 1200m
4. Function of cloud platform: Pitching Rotan: 420, Levelly Rotary: 330
5. Distance of remote control: 30m
6. Outer Size: 1200*900*350mm
7. Weight: 50kg
